Securexpo East Africa hosts the largest B2B exhibition and conference in East Africa for Security, Tech security, fire, and Safety professionals. The exhibitions Bring together suppliers, manufacturers, and distributors from across the East African region. The exhibitions are held once a year.

The next exhibition is in October 15-17th October 2024.
During the exhibitions we also hold conferences where industry leaders give talks to people who have interest in the industry.

THE COLLOCATES

FIREXPO

- Fire Detection
- Fire Prevention
- Fire Protection
- Fire and Rescue

SECURE TECH

- Cyber security
- Artificial Intelligence
- Fintech
- Cloud Storage
- Start ups
- Data Scientists

COMMERCIAL SECURITY

- Access Controls
- Surveillance
- Manned Security
- Perimeter Security
- Alarms and Detection
- Radio communication

K-OSH EXPO

- Personal Protective equipment
- Work wear Asbestos
- Control
- Breathing/Respiratory
- Prevention
- Control of substances Hazardous to health (COSHH)
- Driver Safety
- Drug & Alcohol Testing
- Emergency / First aid equipment
- Environmental / Waste Management
- Harm Arm Vibration
- Legal Advice
- Noise Control
- Plant / Machinery Safety

EXHIBITORS'S LIST

BLOWHARD

11

BlowHard is an innovative, robust "YOU first" PPV company and team who puts the needs, challenges, and demands of our firefighters at the core what we do. Our focus is in creating solutions fire departments can integrate into their processes to make them more powerful and efficient. These ideas and innovative solutions come to life at our headquarters in the picturesque Willamette Valley of western Oregon. BlowHard employees are passionate and driven to deliver the very best, start to finish. From inception to design, from manufacturing to delivery, and continued long-term customer service and support, we're in this so YOU can win. We take pride in that, and know it's a common ground we share with the firefighters we serve. It is on this foundation that we have become the PPV company firefighters put their trust in today worldwide.

Products:

High Flow Jet Series Ops||BH-20

C4 DEVELOPMENT LIMITED

B8

We were authorized agent of Panasonic and Motorola pagers since 1989. In 1996, we established a factory in Shenzhen, and started to develop and produce our own pagers. "Harking", brand name of our pager series, was well-known for its high-quality financial pager in China.

In 2002, we instated our interests in the field of police and social security products, our objective has been to develop outstanding alcohol breath analysers for the international markets. "Alcovisor", a series of alcohol breath analysers designed and manufactured by us, was announced to the market in the following year.

Products:

Alcohol Tester|| Drug test Analyzer|| DVR|| Speed Detector|| Facial Recognition

BRISTOL DISTRIBUTION SYSTEMS

B7

We offer a wide range of fire safety services and security products to ensure compliance for firefighting and security for your business premises and home. Our experience extends across a broad range of industry and service sectors from small to commercial to industrial setups.

we provide dedicated quality services in the fire industry, blending modern equipment and technology, coupled with specific design to suit individual customers' needs.

We believe in providing our clients with personalized services 24 hours a day, 7 days a week. To facilitate this, all our personnel are equipped with cellular phones.

Whatever your setup, we are sure to find the right combination of fire and security products to suit your requirements.

The company has a broad distribution network and proudly serve customers over the entirety of Kenya and East Africa. We are certified by Bristol Fire Ltd for distribution of their products in Africa.
